Plaintiff brought this action to seek judicial review of the denial of an application for disability benefits by the Commissioner of the Social Security Administration. The parties now stipulate this case should be reversed and remanded. (Dkt. 18.)

Based on the stipulation of the parties, the Court recommends this case be REVERSED and REMANDED pursuant to sentence six of 42 U.S.C. § 405(g) for further administrative proceedings to reconcile the conflicting findings regarding disability pertaining to Ms. Hallock. Upon receipt of the Court's Order of Remand, the Appeals Council will remand the case to an administrative law judge for a de novo hearing. The Court will retain jurisdiction over the
